**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT (37 CFR 1.121)**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The following and the appended amendment "In The Claims" section are submitted in response to the Notice of Non-Complaint Amendment dated July 9, 2004. No additional fees are believed to be due. However, if any fee is required, the Commissioner is hereby authorized to charge payment of any fees associated with this response to Deposit Account No. 13-3405.

The amendment and response submitted on June 28, 2004 was deemed non-compliant because the listing of claims does not include the text of all claims. A review of the "Amendment To The Claims" section of that response showed that text was not provided for claims 2, 85, 97, 98, 99, 192, 197, 198, 199, and 215. All but claim 85 of these claims are cancelled. While the current rules require that cancelled claims be identified by number and status but not the full text of the claims, we have included the text of these claims for the

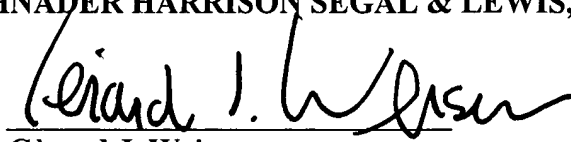

Examiner's convenience. The full text to claim 85, which had been previously withdrawn, has likewise been provided.

Applicant believes that this amendment has brought the Response to compliance.

Respectfully submitted,
